

SUPERCHEFS NEWS

Throwback to the beginning years....stay tuned for news about our 10 Year celebration!

SuperChefs Cookery celebrates 10th year of camps!

This year our 2018 Summer SuperChefs Camps will run in its 10th year thanks to our continuing partnership with Surrey School District (SD36) and its community and national partners. We are so thankful for all the support we have garnered over the years and particularly proud of some of our young counsellors who have moved on from these experiences to further their education including **Alexandra Barone** (Masters Public Policy SFU Candidate 2018), **Lauren Chang** (Dentistry Candidate University of Sydney, 2020), **Emma Germain** (JD Candidate, University of Ottawa Law 2019), **Justin Buttar** (BSC, UBC 2018), **Ryan Chang** (B.B.A./Finance, Bishops 2019), and **Nicki Evans** and **Tessa Fraser** (UVic, 2018) and **Austin Chang** (Dentistry Candidate University of Toronto, 2022). As well some of our campers who attended the first Cookery also include **Fionnuala Sherbot** (Medicine, University of East Anglia Norwich UK) and **Allen Diaz De Leon** (B.Com Candidate, UBC Sauder 2020).

International Association of Culinary Professionals 40th Anniversary

SuperChefs Advisory members were reunited in New York in March during IACP's 40th anniversary conference. Our Program Director **Jill Conklin** was on hand coordinating the Culinary Trust event while **Bill Yosses** served up his Perfect Pies during one of the luncheon breaks. Dr. Greg brushed up on his cooking skills attending a field trip to the **League of Kitchens**, learning dishes by Indian immigrant Chef **Yamini Joshi**, who recently cooked with Late Show host Stephen Colbert.

Congrats to Chef Bill Yosses' new book **The Sweet Spot**, nominated for the James Beard Book Award, an extraordinary book about dialing back sugar and amping up flavour!

SuperChefs receives Government of Canada 150 Award

Surrey, BC Dec 4, 2017
SuperChefs Nicole Chang accepted the Canada 150 Community Award from MP Randeep Sarai on behalf of Dr. Greg Chang for Outstanding Community Service in a ceremony held at Surrey City Hall.

SuperChefs back in the kitchen at UBC

UBC Food and Nutrition Building, March 16, 2018

SuperChefs continued their work with UBC Dietetics & Dental Hygiene students to create nutrition and oral health resources while teaching how to engage children in fun nutrition education. Joined by Award winning Pizza champ **Giuseppe Cortinovis**, our Chefs **Christine Farkas**, **Victor Bongo** and **Dr. Greg** had the kitchen buzzing with authentic black pizza, savoury and sweet hummus and a host of UBC Faculty and visitors interested in children's health. Thanks to **Dean Ricky Yada** for attending, and our Faculty leads **Dr. Gail Hammond** and **Dr. Leeann Donnelly**.

SuperChefs at Pacific Dental Conference

SuperChefs attended the PDC in Vancouver March 8-10, 2018 and made quite an impression. Dr. Greg and Advisory member **Michael Morgan**, along with SuperChefs alumni **Allen Diaz de Leon** and **Chloe Sorento** dazzled the crowd in a presentation entitled **Facilitating Nutrition Learning: Helping Patients Translate Nutrients into Foods**, along with co-presenter **Dr. William Karp** from Georgia.

The presentation was well attended and the SuperChefs team was honoured by the presence of a handful of SuperChefs founding financial supporters, **Dr. Rick Tabata**, **Dr. Steve Hill** (both pictured at right) and Dr. Allen Shen (not shown).

SuperChefs also partnered with **Dentsply Sirona** to help launch their new white filling material with Sphere Tec technology. SuperChefs used their knowledge and resources about chocolate to help create a 70% cacao chocolate sculpture by Ganache Vancouver to promote healthier chocolate choices and the new TPH Spectra material.

Pacific Dental Conference 2018

SuperKids at Sherbrooke Enactus continues to impact children's health and community at Bishops University

In Sherbrooke Quebec, the SuperKids program has run 3 programs this academic year. Two events were held in partnership with the Bishops Big Buddies club and the other event took place at Champlain Elementary School. Both of the events involved teaching the kids a variety of useful recipes, educational finance and nutrition lessons. Thanks to Ryan Chang, VP Enactus Bishops for direction.

Upcoming SuperChefs Events

June 8, 2018 Lantzville Vancouver Island

SuperChefs will be presenting **A Look at Food, Nutrition and Health through the Loupes of a Dental Professional** at the **Island Pursuit of Dental Excellence** end of the year event.

SuperChefs Chefs including **Victor Bongo, Benedict Haines, Christine Farkas, Dr. Greg and Vanessa Lee** will be presenting lectures, interactive cooking stations and a **Fête de Plage Blanche** Long Table Dinner at a beachside venue hosted by Oral Surgeon Dr. Steve Crowley with an anticipated 70 guests in attendance. Our SuperChefs team of students will be involved in planning and executing this highly anticipated event.

SuperChefs Surrey Cookery Camps July 3- August 17 adds Special Needs students.

SuperChefs Cookery summer program in Surrey will change host schools this summer to impact new elementary schools in the largest school district in B.C. This year our host locations will be Kwantlen Park (Level 1) and Johnson Heights Secondary Schools (Level 1 & 2, Special Needs).

The Johnson Heights team this summer will provide added programming to include Special Needs children in our program, and we have added special advisors and experienced team members to enable us to reach out to these kids that need a little extra help to succeed.

Fusion Festival July 21, 2018

We look forward to participating in the largest most successful multicultural event in Canada, City of Surrey's Fusion Festival, where we have put on family centred cooking shows over the last 8 years with the help of our SuperChefs alumni kids.

Dear Friends,

It's amazing to think how far we've come since the first Cookery Camp held a seemingly short time ago. In that time we have seen amazing transformations that fuel our desire to continue to grow and change. Not only have we seen a kid named Allen understand the life long lesson of making healthy choices, but also we've seen our youth volunteer counsellors grow up before our eyes into educated professionals ready to make a difference. We have seen a change in how Chefs around the world think about the meals offered to children, and we inspire young health care professionals to enthusiastically commit to facilitating nutritional learning in their communities to promote healthier generations. We have been able to avoid any charges for our camps and events, however, there is still much to do.

This year our outreach will expand to a population of youth that require more individualized attention to learning- children with Special Needs. We look forward to providing opportunities for these children to gain the skills that the many thousands of children have experienced in our previous camps and events. . We look to you to continue to support our work, as we consider you all an important part of the SuperChefs **TEAM**, because **T**ogether **E**veryone **A**chieves **M**ore. Please consider making a gift to the SuperChefs Cookery for Kids today- <http://www.superchefs.org/donors.php>

With gratitude

Dr. Greg and the SuperChefs Team

Greg Chang
