

UBC SuperChefs Community Volunteer Fund

The SuperChefs Cookery Society partners with UBC Dentistry Dental Hygiene students and the UBC Land & Food Systems Dietetics program to create nutrition and oral health resources while teaching how to engage children in fun nutrition education. SuperChefs aims to improve the health and well-being of children worldwide, by giving them the knowledge and skills to make healthy eating and lifestyle choices and instilling lifelong family and community values using food as a means of communicating these objectives.

This partnership engages UBC Dental Hygiene students to understand and promote overall health education to the families they will see on a regular basis in their future practice. Please consider donating to the SuperChefs Community Volunteer Program fund today to support student education and the promotion of healthy living practices.

I would like to make a donation in support of the UBC SuperChefs Community Volunteer Fund
